

## A two day science experience for all students in Grade 10 and 11

**Scientifically Yours – May 12 & 13, 2016**

 [facebook.com/groups/brocksy](https://facebook.com/groups/brocksy)

 [twitter.com/SciYoursBrockU](https://twitter.com/SciYoursBrockU)

You will learn about diverse areas of science, careers in science-related fields and discover what university life has to offer.

### **During the 2 days you will:**

- Perform hands-on science projects
- Meet and network with professionals who work in the sciences
- Learn about science-related career opportunities
- Experience residence life
- Expand your circle of friends

### Conference Information:
